8-12 June 2015

CRITICAL NUTRITION

Feeding those who cannot feed themselves

SASPEN joining the
Global

BDA The Association
of UK Dietitians

TrustADietitian
Campaign

SASPEN will be joining the British Dietetic Association again this year for the World's second Dietitians Week during 8-12 June 2015.

We want to invite all Registered/ Clinical/ Hospital and Community Dietitians to join us in this exciting Event.

You can participate by:

- Creating a Display in the Hospital or at your Rooms (can be either the SASPEN theme or another that represents a topic that you relate to) (see some attached photos from 2104) and sharing your photos on FB, Twitter and/or via the SASPEN Mobile App.
 - Printing the A4 "Trust A Dietitian" Pamphlet and sharing pics of holding the Pamphlet. (To celebrate the profession)
 - Or other applicable contributions or ideas
 - We want the Dietitians to get excited about their work and contribution and share a sense of being part of a bigger initiative.
- Join us here for more of the Event Info: [Dietitians Week 2015](#)

Let's celebrate our profession! [#TrustADietitian](#)
